- Does not include QuickBooks Enterprise Solutions, QuickBooks Pro for Mac, QuickBooks Online, Invoice Manager, Easy Estimate or Time Tracker. QuickBooks Enterprise Solutions: Accountant Edition 8.0 does not contain the features of QuickBooks Pro 2007 for Mac or QuickBooks Online.
- Works with all QuickBooks accounting software except QuickBooks Simple Start, QuickBooks Mac, QuickBooks Online and works with QuickBooks 2008 and 2009. Payroll transactions cannot be adjusted. Not all fields can be accessed for clients using QuickBooks 2008, including 1099 Account Mapping and modify and merge class lists. Previous versions of Accountant's copy restricted reconciliation after the dividing date. Simple Start has similar file transfer capabilities. Go to <http://support.quickbooks.intuit.com/support/pages/contentsections/pages/simplestartfiletransfer> to download the QuickBooks Simple Start File Transfer tool.
- Internet access required. QuickBooks Premier: 1 single user subscription (12 months of QuickBooks-only access) included, valid for customers who purchase and install QuickBooks Premier 2009 software before 12/31/2009.
- Subscription begins at time of product registration. QuickBooks Enhanced Payroll for Accountants is sold separately and requires a subscription, EIN and at least QuickBooks 2007. Internet access required for download delivery and Direct Deposit. Nominal additional fees apply for Direct Deposit. Checks sold separately. 24x7 access subject to occasional downtime due to systems and servers maintenance. State forms are supported for over 40 states. Terms, conditions, features, pricing and service options subject to change without notice.
- Enterprise Solutions allows you to add up to one million names (e.g. customers, vendors, employees) and up to one million items (e.g. inventory, non-inventory, and service items). Some performance degradation is likely as your lists approach these size thresholds.
- Assisted data conversion includes a one-time conversion case which can be applied to multiple files. Assisted data conversion must be completed within 30 days from the date you register your software.
- Transfer data from Peachtree 2001-2008, Microsoft SBA 2006, and Microsoft Office Accounting 2007 using free tool available at [accountant.intuit.com/convert](http://accountant.intuit.com/convert).
- Requires Microsoft Word 2000, 2002, 2003 or 2007. Excel integration requires Excel 2000, 2002, 2003 or 2007. Outlook integration requires Outlook or Outlook Express 2000, 2002, 2003 or 2007. Outlook synchronization requires QuickBooks Contact Sync for Outlook tool, available for free at [www.quickbooks.com/contact\\_sync/](http://www.quickbooks.com/contact_sync/), and Outlook 2000, 2002, 2003 or 2007. Synchronization with Outlook is also possible with QuickBooks Customer Manager (sold separately). For more information visit [www.quickbooks.com](http://www.quickbooks.com). Business software applications sold separately.
- 30 consecutive days of Intuit QuickBooks Premier Accountant Edition 2009 support included from first-time registration. Offer valid 90 days from software purchase: U.S. only. Assisted data conversion includes a one-time conversion case which can be applied to multiple files. Assisted data conversion must be completed within 30 days from the date you register your software.
- Enterprise Solutions Accountant Edition (1-user) includes 30 days of support. Enterprise Solutions Accountant Edition multi-user SKUs (i.e. 5-user and above) includes 12 months of support. The Enterprise Solutions support team is available weekdays from 4 A.M. - 7 P.M. Pacific Time. Intuit reserves the right to limit each telephone contact to one hour and to one incident. Support availability subject to occasional downtime for systems and server maintenance, company events, observed U.S. holidays, and events beyond our control. Terms, conditions, pricing, service offerings, and availability of the Full Service Plan are subject to change at any time without notice.
